

KV. Kaloyan Kirilov Veselinov

Sales | Technical Support | Web & Digital Solutions

Dimitrovgrad, Bulgaria | 0893 512 611 | shinsu666@gmail.com | github.com/Sazashime | kaloyan-portfolio.onrender.com

Sales professional with 10+ years of customer-facing experience across telecom retail, Apple products and call-center sales. I combine consultative selling with technical troubleshooting, web work and practical problem solving, and I use AI-assisted workflows when they improve research, development or support.

EXPERIENCE

Call-Center Sales - PLASIMA 99

Jun 2024 - Present | Consumer products / e-commerce (Sellzone.bg)

- Telephone sales and customer communication for consumer products.
- Product presentation, objection handling, needs-based recommendations and closing sales.
- Supporting e-commerce sales connected with Sellzone.bg.

Sales Consultant - Future Senses

Mar 2021 - Apr 2024 | Apple products and technical customer support

- Apple product/accessory sales, customer consultation and product training.
- Software troubleshooting and after-sales support for Apple devices.
- Website maintenance for mmw.bg: product/article entry, banners and promotional offers.
- Online sales, invoicing, order tables, inventory monitoring and internal server maintenance.

Sales Consultant - GLOBUL / Telenor (now Yettel)

Sep 2014 - Feb 2021 | Telecommunications

- Continuous telecom retail career through company rebranding; consultative sales and customer service.
- Worked with Windows and Android products/services in a high-volume customer environment.
- Managed / coordinated a team of 4 people.
